

International Conference on Weigh-In-Motion : ICWIM6
(organized with NATMEC 2012)

Information and registration

<http://iswim.free.fr/icwim6>

The ICWIM6 is organized jointly with NATMEC2012. ICWIM6 will consist of a series of sessions in parallel with the NATMEC2012 sessions. Registered delegates may attend any session of ICWIM6 or NATMEC2012.

The complete ICWIM6 registration is available at:

<http://iswim.free.fr/icwim6>

ICWIM6 registration includes all ICWIM6 and NATMEC 2012 sessions and in addition:

1. ICWIM6 package: Monday lunch and coffee break, delegate bag and electronic proceedings,
 2. Conference dinner on Tuesday evening,
 3. Paper proceedings, published by ISTE & J. Wiley.
- The additions may be purchased separately.

Registration for only the last three days is available on the NATMEC2012 website: www.natmec.org.

Early bird registration will begin on Feb. 1st 2012, end on 7th March 2012.

Advance registration will end on 7th May 2012.

A special rate is available at the conference hotel, the Fairmont Dallas (<http://www.fairmont.com/dallas>); ask for the TRB rate.

Please register online with either conference.

If you are active or interested in WIM, you are invited to join the **International Society for Weigh-in-Motion (ISWIM)** <http://iswim.free.fr>. It is free of charge for individuals. Companies must pay a low annual fee to become members of the vendor college, and get a company (vendor) web page on the ISWIM web site

For more information please contact:

International Conference on Weigh-In-Motion ICWIM 6

Dallas, Texas
June 4 - 7, 2012

Final announcement

NATMEC - Improving Traffic Data Collection, Analysis, and Use

Hosts:

International Society for Weigh-In-Motion (ISWIM)
Texas Department of Transportation (DOT)
Transportation Research Board (TRB)
Federal Highway Administration (FHWA)

International Road Dynamics Inc.

About the Conference

The 6th International Conference on Weigh-In-Motion (ICWIM6) will be combined with NATMEC'2012, the North American Traffic and Monitoring Exhibition and Conference, on Improving Traffic Data Collection, Analysis, and Use.

ICWIM have been held every three or four years since 1995, in Zürich, Lisbon, Orlando, Taipei and Paris.

NATMEC are held every two years, in North America.

In 2012, ICWIM6 will be held in Dallas, Texas, as a series of dedicated sessions in parallel with the NATMEC2012 sessions, which will form a self-content conference. A few common plenary sessions will welcome keynote papers.

Registration will be done for both conferences at once and delegates will be allowed to attend any session. Some options will be offered by ICWIM6 to the delegates. The conference is designed to address the broad range of technical issues related to heavy vehicles, surface transport and weight and size measurement systems, providing access to current research and best practices, freight analysis, and related policy issues. It is a multi-disciplinary, inter-agency supported event.

Objectives

- Provide an international forum for WIM technologies, WIM standards, research, policy and applications.
- Facilitate the meeting of manufacturers and users in an exhibition of WIM systems, sensors and related technologies.
- Review new developments since the last International conference (ICWIM5).

Who Should Attend

- Manufacturers, vendors and users of WIM systems, data, or related equipments and services.
- Policy makers and agencies responsible for heavy vehicle operation and control, weight and size enforcement, road infrastructures design, construction and maintenance.
- Agencies that use weight information to support freight mobility, safety and road pricing.
- Researchers in WIM technologies, WIM data analysis, vehicle-road interaction and freight logistics.
- Students in freight transport and road infrastructures.

Topics

The conference will cover all the topics concerning weigh-in-motion (WIM):

- WIM sensors, technologies and testing,
- WIM systems, users' perspectives, experience with WIM,
- WIM standards and specifications,
- WIM data quality, management and use,
- Application of WIM to enforcement and toll-by-weight,
- Applications of WIM to infrastructure design, maintenance and assessment,
- WIM in ITS and traffic management and monitoring, and for road safety purposes.

Conference Languages

The official language of the conference will be English. Final papers and posters must be provided in English, with abstracts in French (and in Spanish optional).

International Society for Weigh-In-Motion (ISWIM) – Board	
Bernard Jacob (chair)	France
Chia-Pei Chou	Taiwan
Morris de Beer	South Africa
Victor Dolcemasclo	France
Ralph Gillmann	United States
Helio Goltsman	Brazil
Chris Koniditsiotis	Australia
Anne-Marie McDonnell	United States
Eugene Obrien	Ireland
Lily Poulikakos	Switzerland
Hans van Loo	The Netherlands
Aleš Žnidarič	Slovenia
Vendor College representatives	
Alexandre Bonnes	France
Robert Brozovič	Slovenia
David Cornu	Switzerland

Parallel Exhibition

A showcase for manufacturers, users and related industries will be held in conjunction with the conference, jointly with NATMEC2012.

Venue

The conference will be held at The Fairmont Dallas, Dallas, Texas, United States of America.

Call for Papers

High quality papers and posters relevant to the conference themes are now invited. Reports of research in progress are welcome. All abstracts/papers can be submitted online at the conference website:

<http://iswim.free.fr/icwim6/>

Schedule

Submission of abstracts	30th June 2011
Acceptance of abstracts	30th August 2011
Submission of full papers	30th October 2011
Submission of revised papers	30th January 2012

Proceedings and Awards

Proceedings of the conference will be published, on CD (and paper if possible). Papers must be presented by one registered author to be published.

There will awards for the best papers presented at the conference.

Fees

Interested individuals are invited to attend the Conference. Early bird registration fee of US\$ 490 is available to those who register **before 7th March, 2012**.

Advance conference fee will be US\$ 565 until May 7th and then US\$ 640. Student fee are resp. US\$ 190, 265 and 340.
